Allowable Subject matter

5. Claims 15-21 and 28 are allowed over prior art of record.

Examiner's Statement of Reasons for Allowance

6. The following is an examiner's statement of reasons for allowance:

Independent claim 15 is allowed for reasons argued by applicant in pages 4-5 of the Remarks, filed 01/08/2007. In particular, Prior art of record is silent in disclosing "a forth interface for interfacing to at least one of a second identification and a second key carrier component, an authorization by at least one of the second identification and the second key carrier component being usable for establishing a connection to a subscriber via the telecommunications network" as recited by independent claim 15. Depend claims 16-21 and 28 upon one of the above-mentioned allowed claim 15 and are therefore allowed by virtue of their dependencies.

Art Unit: 2131

None of the prior art of record, either taken by itself or in any combination, would have anticipated or made obvious the invention of the present application at or before the time it was filed.

Any comments considered necessary by applicant must be submitted no later than payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
